

## ALISON MCGANNON, LCPC

**About:** Alison is a Licensed Clinical Professional Counselor with experience working with individuals, youth, couples, and families struggling with a variety of issues. Her perspective is a solution-focused one that views individuals as the experts on their own lives. She provides goal-directed treatment focusing on a person's strengths. Alison believes that the relationship, connection, and trust between a client and counselor is the true measure of how helpful the counseling experience will be for an individual. She has been practicing as a professional counselor for the last 14 years. She has worked in outpatient mental health settings, residential treatment settings, social service settings, employee assistance firms, and private practice for the last 14 years.
